

## The Fourth Biosafety Symposium

" Biorisk Management in Clinical Microbiological Test laboratories and Microbiology Research laboratories —The Current Status of ISO 15189 and the Perspective of ISO 35001 as Conversion of CWA 15793— "

Organized by the Japanese Biological Safety Association

1. Date: December 6, 2019 13 : 00—17 : 00

2. Place: Toyama Sunrise, Shinjuku-ku, Tokyo

3. Program:

13:00~13:05 Opening address Takeshi Kurata

13:05~13:15 Background of the theme of the Symposium Kazuyoshi Sugiyama

13:15~14:25

Chairman: Kazuyoshi Sugiyama (Division of Biosafety Control and Research, National Institute of Infectious Diseases)

1. The Current Status of ISO 15189 and the Perspective of ISO 35001 as Conversion of CWA 15793

Hayato Miyachi

Department of Laboratory Medicine, Tokai University School of Medicine

Break 14:25~14:40

14:40~16:00

Chairman: Masayuki Saijo (Department of Virology 1, National Institute of Infectious Diseases)

2. Biosafety in the Clinical Inspection Center

Masahiro Shimojima

Sales Promotion Department, BML, INC.

3. The Current Status of Biosafety in the Clinical Microbiological Test Laboratory Meets the Requirements for ISO 15189

Shinobu Ishigaki

Department of Clinical Laboratory Science, Teikyo University Hospital

Break 16:00~16:15

16:15~17:00

Chairman: Atsuo Kitabayashi (Ikari Shodoku CO.,Ltd / Corporation for Production and

Research of Laboratory Primates)

4. Introduction of the outline of Laboratory Biosafety Guideline: 2nd edition by JBSA

Kazuyoshi Sugiyama

Division of Biosafety Control and Research, National Institute of Infectious Diseases

5. General Discussion
